

GENERAL TERMS AND CONDITIONS FOR LOAN FACILITIES

These General Terms form part of the Loan Agreement entered into by the Lender and the Obligors.

1. Term Loan Facility

This clause 1 applies where a Term Loan Facility is made available under a Loan Agreement.

- 1.1 **Availability:** Subject to the conditions precedent in clause 3 having been satisfied and no Event of Default having occurred, the Lender agrees to make the Term Loan Facility available to the Borrower on the terms of the Loan Agreement. The Term Loan Facility will be made available by advancing the Loan in one amount on the Drawing Date.

2. Project Facility

This clause 2 applies where a Project Facility is made available under a Loan Agreement.

- 2.1 **Availability:** Subject to the conditions precedent in clause 3 having been satisfied and no Event of Default having occurred, the Lender agrees to make the Project Facility available to the Borrower on the terms of the Loan Agreement. The Project Facility will be made available by progressive Drawings.
- 2.2 **Drawdown:** The Lender will advance a Drawing to the Borrower on any business day during the Availability Period if:
- (a) the Lender has received from the Borrower a drawing request in writing from the Borrower not later than 10.00 am on the business day before the proposed Drawing Date, which notice will be irrevocable and must specify:
- (i) the amount of the Drawing;
 - (ii) the proposed Drawing Date; and
 - (iii) the bank and account to which the Borrower wishes the Drawing to be disbursed.
- (b) the Drawing would not cause the Loan Limit to be exceeded on the Drawing Date;
- (c) the Lender has received evidence that the Progressive Drawdown Conditions have been satisfied, such evidence to be in form and substance acceptable to the Lender in all respects.

3. Purpose and Conditions Precedent

- 3.1 **Purpose:** The Borrower will utilise the Loan for the Purpose. The Borrower shall not utilise the Loan for any other purpose except with the prior written consent of the Lender.
- 3.2 **Conditions Precedent:** The Lender shall not be obliged to make a Facility available to the Borrower unless the Lender has received, not later than one Business Day before the Commencement Date or such other date as the Lender may in its discretion approve, the following:
- (a) An original copy of Loan Agreement and the Security Documents duly executed by the Obligors;
 - (b) Evidence satisfactory to the Lender that the Borrower's insurance obligations under the Security Documents have been complied with.
 - (c) Any Additional Conditions Precedent specified in the relevant Facility Schedule.

4. Repayment

- 4.1 The Borrower will repay each Loan, together with all interest, fees and costs payable under the Loan Agreement and/or the Security Documents, at the times and in the manner described in the relevant Facility Schedule.

5. Illegality

- 5.1 If, at any time, the Lender determines that it is, or may be, or will become, unlawful, impractical or contrary to any law, treaty or directive of any agency of state or other regulatory, monetary or accounting authority to make, fund or allow to remain outstanding all or part of a Facility, a Drawing or a Loan, or to charge or receive interest at any applicable rate, or to comply with any of its obligations or exercise any of its rights under a Loan Agreement and/or the Security Documents, then, on the Lender notifying the Borrower accordingly:
- (a) the obligation of the Lender to make the Facility, Drawing or Loan available will be cancelled; and
 - (b) where a Facility or part of it has been made available, the Borrower will repay the Moneys Owed either immediately or, if permitted by law, treaty or directive, on the latest date on which payment may be made to avoid a breach of the relevant law, treaty or directive.

6. Prepayment

- 6.1 The Borrower may prepay all or any part of a Loan in full at any time, on the Borrower giving the Lender not less than two business days' notice of its intention to do so. That notice will be irrevocable and will bind the Borrower to make the prepayment specified in it. Any amounts prepaid will not be available to be redrawn.

7. Interest

- 7.1 The Borrower will pay interest on each Loan in arrears on the last day of each applicable Interest Period at the Interest Rate.
- 7.2 Interest shall accrue and be calculated on a daily basis, be calculated on the basis of days elapsed and a 365 day year, and be capitalised if not paid on the due date.
- 7.3 The certificate of the Lender as to the rate or amount of interest payable pursuant to the Loan Agreement shall be conclusive and binding upon the Borrower except in the case of manifest error or fraud.

8. Interest Periods

- 8.1 The first Interest Period applicable to a Loan will start on the Commencement Date and end on the last day of that calendar month. Each successive Interest Period will start on the last day of the preceding Interest Period. Each successive Interest Period will be a period of one month (or such other period as the Lender may agree in writing) except that:
- (a) an Interest Period that commences on a day for which there is no numerically corresponding day in the month that that Interest Period expires will end on the last business day of that month;
 - (b) if an Interest Period would otherwise end on a day that is not a business day, that Interest Period will be extended to end on the next succeeding business day, unless the result of that extension would be to carry the Interest Period over into the next calendar month, in which case the relevant Interest Period will expire on the previous business day;
 - (c) if an Interest Period will extend beyond the Expiry Date there will be a separate Interest Period expiring on the Expiry Date in respect of the amount that is due for repayment on that day, and if (a) or (b) apply, the next Interest Period will end on the day it would have ended if the previous Interest Period had not been extended or shortened.

9. Default interest

- 9.1 If the Borrower does not pay, when due, an amount payable by it under a Loan Agreement or the Security Documents then, without prejudice to its other obligations, the Borrower will pay interest on that overdue amount at the Default Interest Rate (including interest payable under this clause). If the Borrower does not comply with the terms of a Loan Agreement or any Security Document relating to payments due under a Loan Agreement or any Security Document then, at the Lender's discretion, the Borrower will pay interest at the Default Interest Rate on the Moneys Owed. Such interest shall be calculated from the date of the default and terminating on the date the failure to comply has been remedied, and shall be compounded (after as well as before judgment) and payable at intervals selected by the Lender at its discretion.
- 9.2 If the Borrower does not comply with the terms of a Loan Agreement or any Security Document, other than terms relating to payment of money, and that failure is not remedied on or before the 14th day after the date on which compliance was due, then, at the Lender's discretion, the Borrower shall pay interest at the Default Interest Rate on the Moneys Owed calculated from the date of the default and terminating on the date the failure to comply has been remedied.

10. Fees

- 10.1 The Borrower will pay to the Lender, in relation to each Facility, fees in the amounts and at the times specified in the relevant Facility Schedule.

11. Increased costs

- 11.1 **Increased costs:** If, at any time, the Lender determines that, as a result of:
- (a) the introduction of, or a change in, a law, treaty or directive of an agency of state or other regulatory, monetary or accounting authority, or in its interpretation by the agency or authority charged with its administration, or by a court of competent jurisdiction (including the implementation or application of, or compliance with, any document that forms part of the international capital or regulatory framework for banks published by the Basel Committee on Banking Supervision); or
 - (b) compliance by the Lender or by a person with whom the Lender may have a loan, swap or other funding or participation arrangement with a directive of an agency of state or other regulatory, monetary or accounting authority,
- the Lender determines that:
- (c) the cost to it of making, funding or maintaining a Facility, a Drawing or a Loan or any other amount under a Loan Agreement and/or the Security Documents, or all or any of the amounts comprised in a class of advances formed by or including a Facility, a Drawing or a Loan or any other amount is increased; or
 - (d) an amount payable to it or its effective return under a Loan Agreement and/or the Security Documents is reduced; or
 - (e) there is a reduction in the effective rate of return on its overall capital that, in its view, is attributable to either of paragraphs (a) or (b) above applying in relation to its obligations under a Loan Agreement and/or the Security Documents or to any class of obligations of which they form part; or
 - (f) it makes a payment or forgoes any interest or other return on or calculated by reference to a sum received or receivable by it from a Relevant Party under a Loan Agreement and/or the Security Documents in an amount that the Lender considers material, then, and in each case (whether or not the Lender is aware at the date of the Loan Agreement that any such introduction, change or directive will subsequently take effect):
 - (g) the Lender will notify the Borrower;
 - (h) on demand from time to time by the Lender, the Borrower will pay to the Lender, the amount certified by the Lender to be necessary to compensate it (and except to the extent that the Borrower is already liable to compensate it under the Loan Agreement) for that increased cost, reduction, payment or forgone interest or other return (or that portion of it as in the Lender's opinion, is attributable to the relevant Facility, or Drawing or Loan or the Lender's obligations under a Loan Agreement and/or the Security Documents) (if requested by the Borrower, this certificate will provide reasonable details of the composition of this amount); and
 - (i) and without prejudice to its obligation to make an additional payment under paragraph (h) above, the Borrower may, at any time by not less than 14 days prior written notice to the Lender (which will be irrevocable), cancel the relevant Facility.
- 11.2 **Minimisation:** If the Lender has acted in good faith, an amount certified under sub-clause 11.1 (Increased costs) above will be payable regardless of whether an increased cost, reduction, payment or forgone interest or other return referred to in that clause could have been avoided.
- 11.3 **Survival of obligations:** The obligations of the Borrower under sub-clause 11.1 (Increased costs) above are to survive termination of each Facility and payment of all other indebtedness due under any Loan Agreement and/or the Security Documents.
- 11.4 **Changes in market conditions:** If, by reason of circumstances affecting any relevant interbank market generally, it is or may be impossible or impractical for the Lender to obtain the relevant currency in that market (and accordingly it is impossible or impractical for it to make, fund or maintain a Facility or a Drawing or a Loan or any other amount under a Loan Agreement and/or the Security Documents, or all or any of the amounts comprised in a class of advances formed by or including a Facility, a Drawing or a Loan) for any period, the Lender is to notify the Borrower promptly and:
- (a) if the Drawing or Loan has not been made, the obligation of the Lender to make the Drawing or Loan available will be cancelled or suspended as the Lender may elect; and
 - (b) if the Drawing or Loan has been made, the Borrower will repay the Drawing or Loan and all other indebtedness of the Borrower and the Relevant Parties under each Loan Agreement and/or the Security Documents either immediately or, as the Lender elects, on the next date for payment of interest.
- Without prejudice to the Borrower's obligations to repay, the Borrower and the Lender are to negotiate in good faith with a view to agreeing terms for making the relevant Facility, Drawing or Loan available from another source. However, the Lender is under no obligation to agree to terms or to continue those negotiations if terms are not agreed promptly.
- Alternative basis of interest or funding:** If a Market Disruption Event occurs and the Lender or the Borrower so requires, the Lender and the Borrower will enter into negotiations (for a period of not more than thirty days) with a view to agreeing a substitute basis for determining the rate of interest.

12. Indemnities
